NEW YORK CITY COLLEGE OF TECHNOLOGY
CITY TECH

Certification: AWR-173 (TEEX)

On-line Certificate (AWR173 Information Security Basics)

Register with the following steps:

Visit https://teex.org/Pages/Program.aspx?catID=607&courseTitle=Cybersecurity

1. Click "Online for IT Professionals (Cyber 201)
2. Click "AWR173 Information Security Basics"
3. Click "Register", then Create account for new user.
4. Follow the requirements to fill out your information.
5. (select "Information Technology" as the **field** and "others" for the question below field)
6. After register, you will get an email to your account about your username and password.
7. The average time spent to get this on-line certificate is 13 hours.
8. After you receive (by email) your certificate, upload an e-copy (pdf or image or picture) to Blackboard under the appropriate assignment in the Assignments folder area.

Please make a good faith effort to complete this AWR173 certification by the time of our midterm exam on **16-Jun-2022**. **You must have this certification completed by the time of our final exam on 30-Jun-2022.**

This assignment is due by the day of the midterm exam on Thursday, 06-Jun-2022, before 11:59 p.m. ET.

Email Professor Patrick at PaSlattery@CityTech.CUNY.edu with any questions or concerns.

Thank you.
