

# ABOUT ME

[About Me](#) [Portfolio](#) [Contact Me](#)

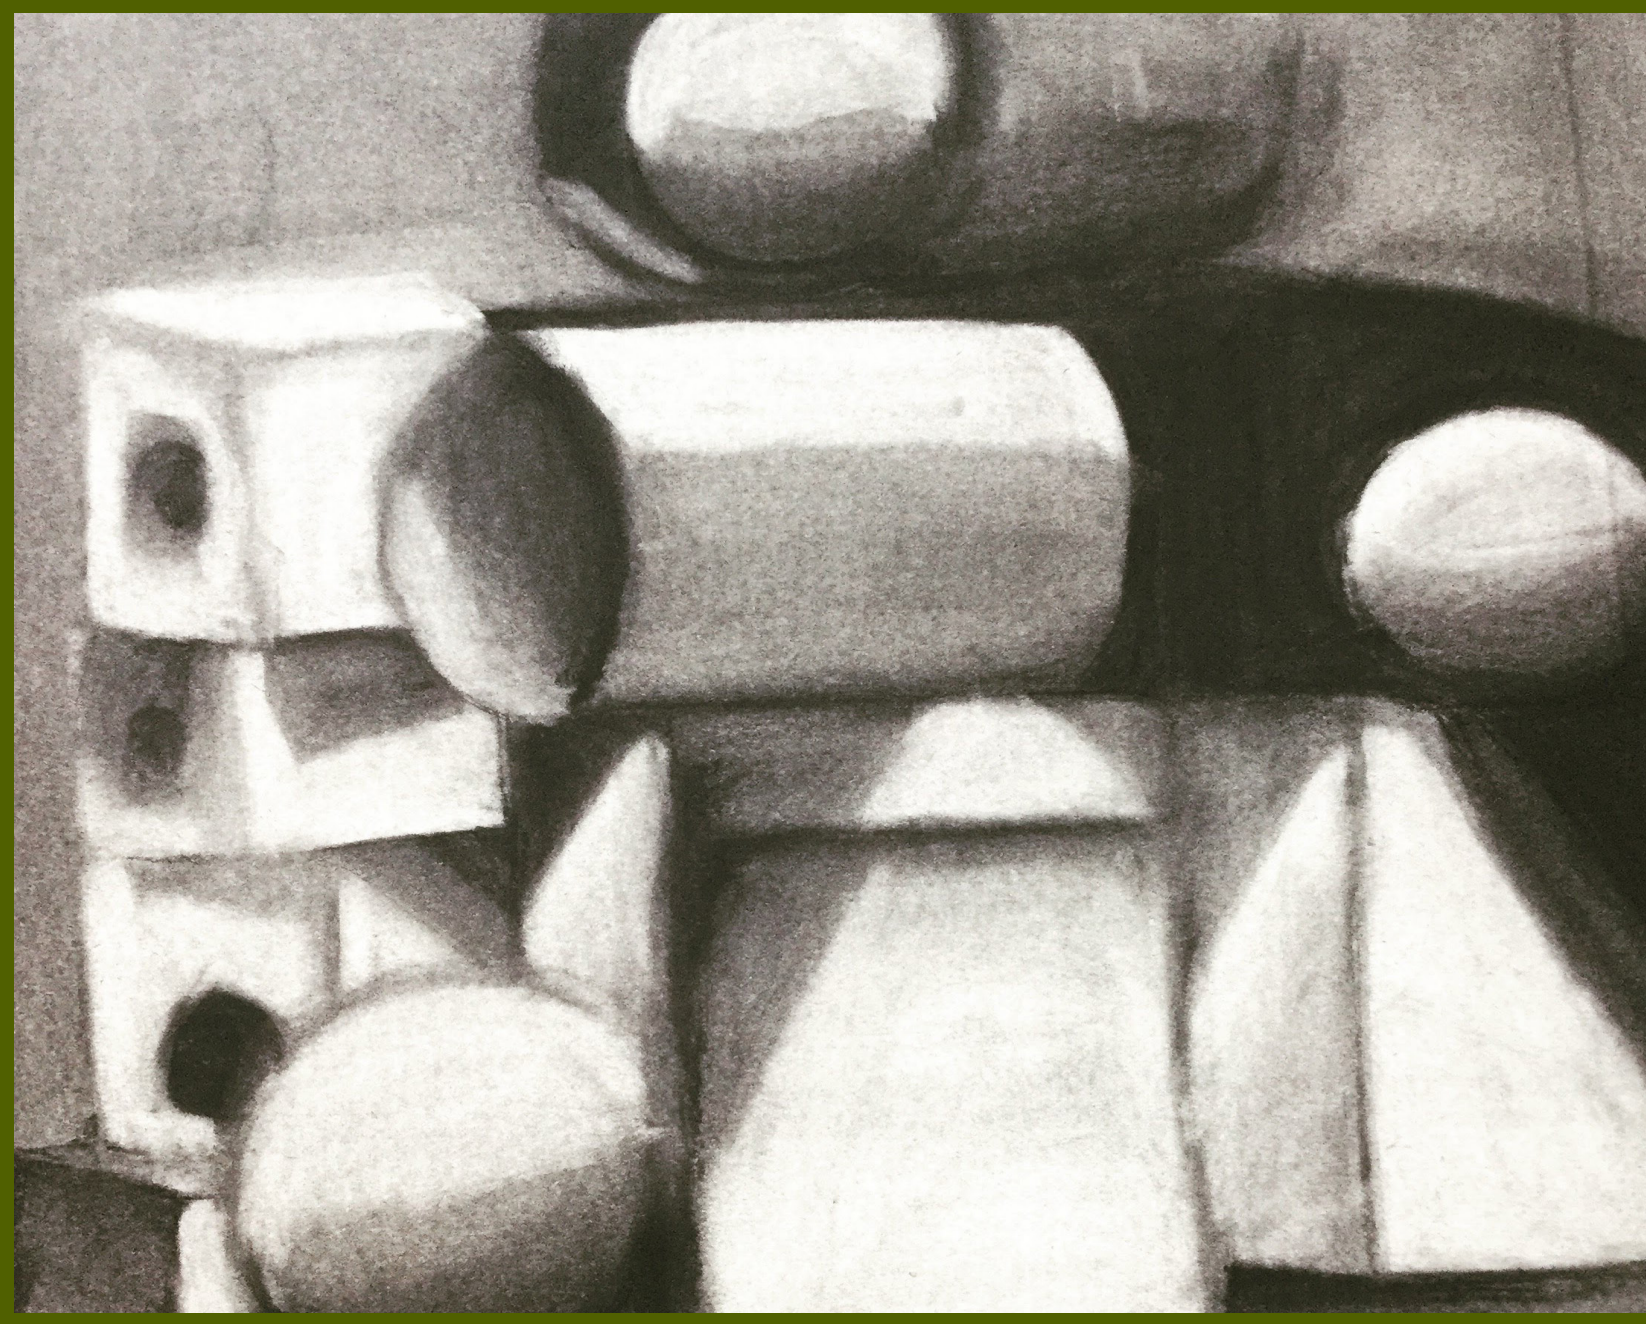

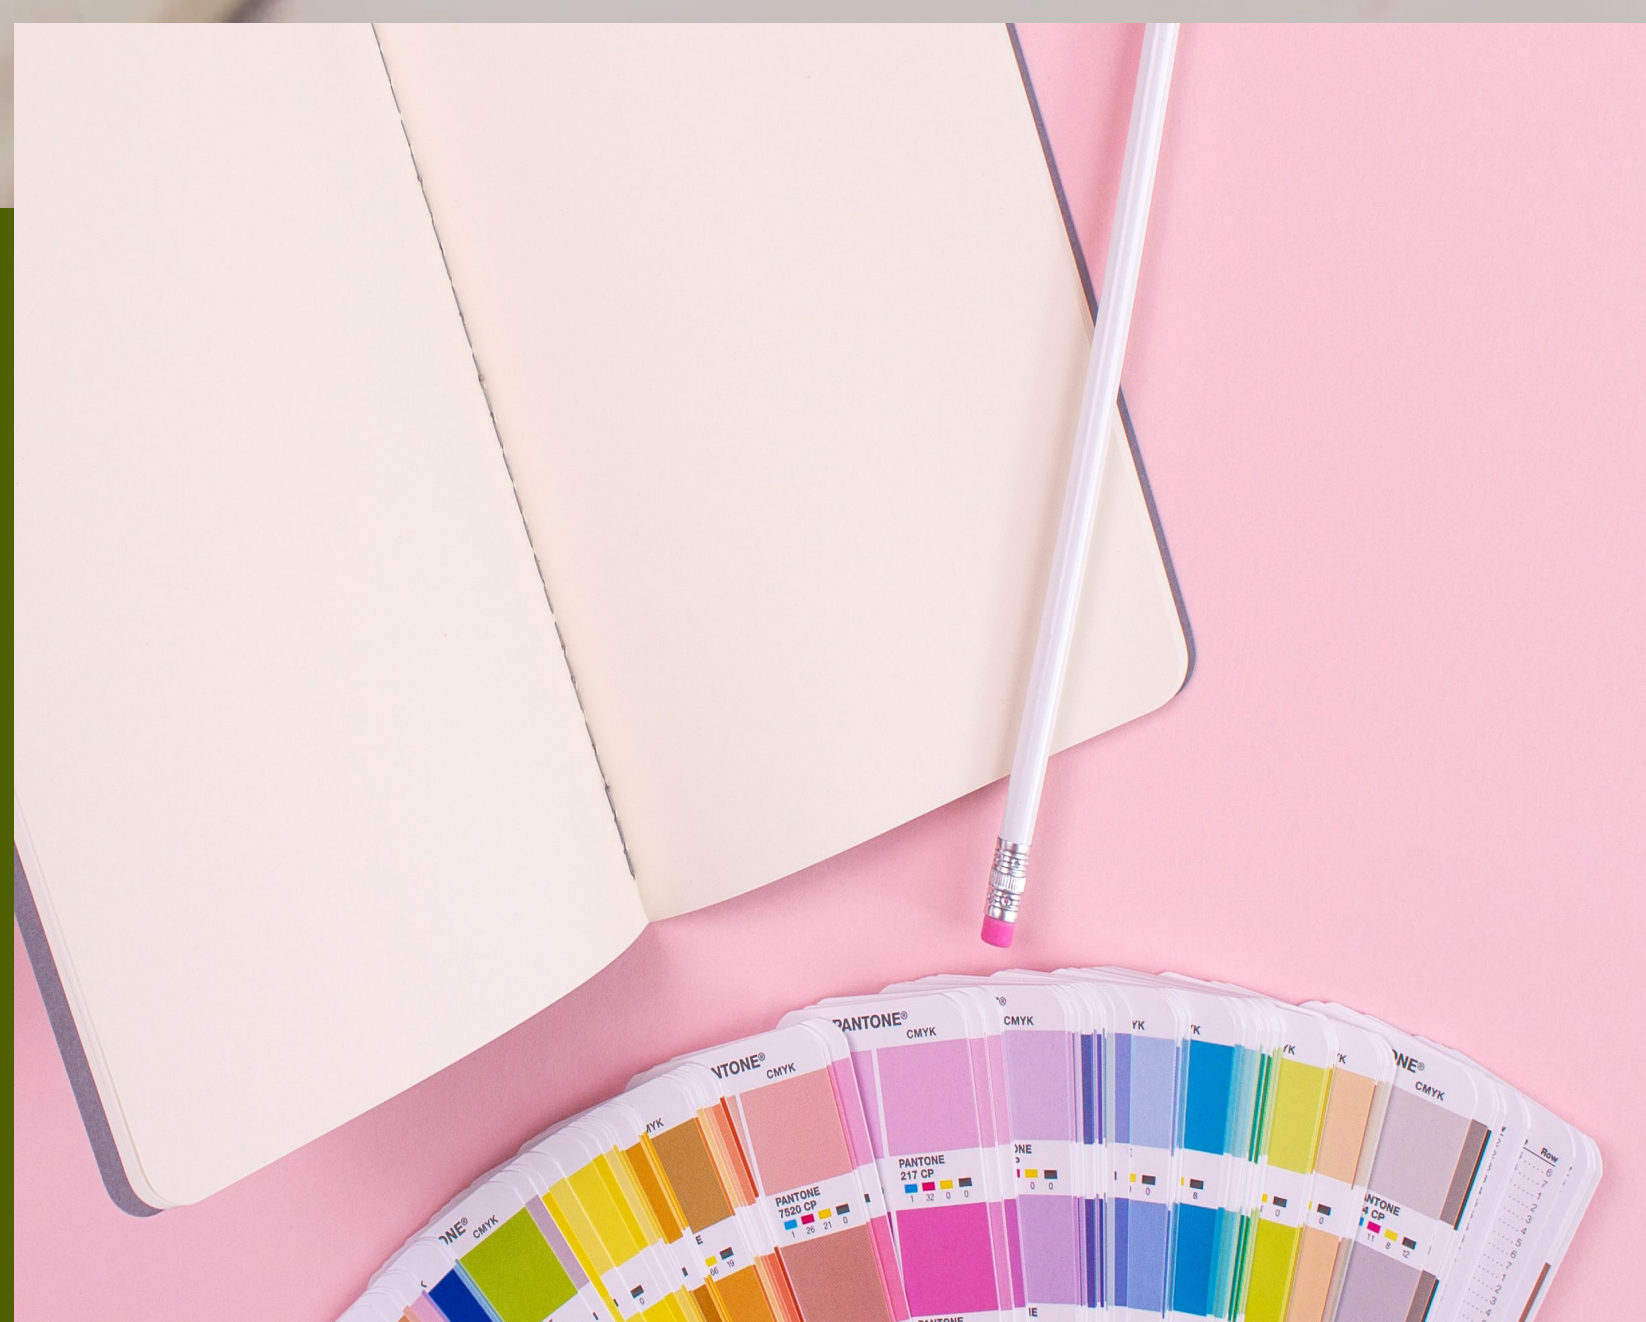

Hello there, My name is Susan Nava

I am a Junior currently studying at New York City College of Technology as a Communication Design Student hoping to make a decision either i should go for illustration, animation, or Typographic Designer as my future career . I want to break out of my shell to start showing my creativity skills for the society and solve as much commication problems for the Future Design field.
