To Whom It May Concern:

I am pleased to provide this letter of recommendation for Ms. Sunny Lee.

As her academic advisor, I can confidently affirm her dedication to learning, which is evident in her exemplary academic performance. Ms. Lee is currently pursuing her degree in Business & Technology of Fashion at the New York City College of Technology. She is in good academic standing and actively participates in our advising meetings to monitor her progress toward her educational objectives.

Ms. Lee is a diligent, self-motivated, and reliable student. She demonstrates a high level of discipline and communicates her ideas effectively verbally and in writing. Her strong work ethic and commendable academic results reflect her commitment to her studies. Ms. Lee is a respectful and well-rounded individual who would be an exceptional asset to Oved Apparel Group as a wardrobe stylist. She consistently exceeds expectations to ensure that tasks are completed thoroughly and to a high standard.

In conclusion, I fully endorse Ms. Lee for employment and recommend her without reservation. Should you require any further information, please contact me at jeff.victor20@citytech.cuny.edu.
