Reference Letter for Sunny Lee

To Whom It May Concern:

Sunny Lee is a student in my Beauty Culture, Commerce, and Innovation course (BUF4700) this semester at City Tech-CUNY. It is my pleasure to write a letter in support of her application for an internship at Oved Apparel as a wardrobe stylist.

Sunny is an outstanding student in many respects: her leadership, her insights into the material, her participation in class discussions, her discipline, and work ethic. With some of her classmates, Sunny published an article titled "Fashion Forecast Trend Watch, Fall 2024-25, Women's Pants" in the *City Tech Writer, Outstanding Student Writing from All Disciplines*, Vol 18, Spring 2023. Sunny also has work experience in the fashion industry and as an intern, as noted on her resume. Because of these personal qualities and work experience, I believe that Sunny would be an enthusiastic, dependable, and creative intern who would show initiative and demonstrate a high level of maturity in her work.

I have no reservations in recommending Sunny as an intern. I believe that Sunny will succeed in her chosen course of study as well as her work outside of academia. If you need additional information or have questions, please do not hesitate to contact me. My cell is 917-673-6430.

Sincerely,

Denise H. Sutton, PhD
Associate Professor
