To Whom It May Concern:

This letter of recommendation is on behalf of Tatum Brown, I had the pleasure of having Tatum in my clinical classroom during the fall of 2008. I found her to be very intelligent, inquisitive and very caring for her patients and her classmates. She always had her assignments in on time and well done. She displayed a professional demeanor at all times and was always very helpful and flexible. She would be an asset to anyone who would have her on their team.

Any questions please feel free to call.

Yours Truly,
