

## Better Note Taking, Better Grades: A Student Workshop

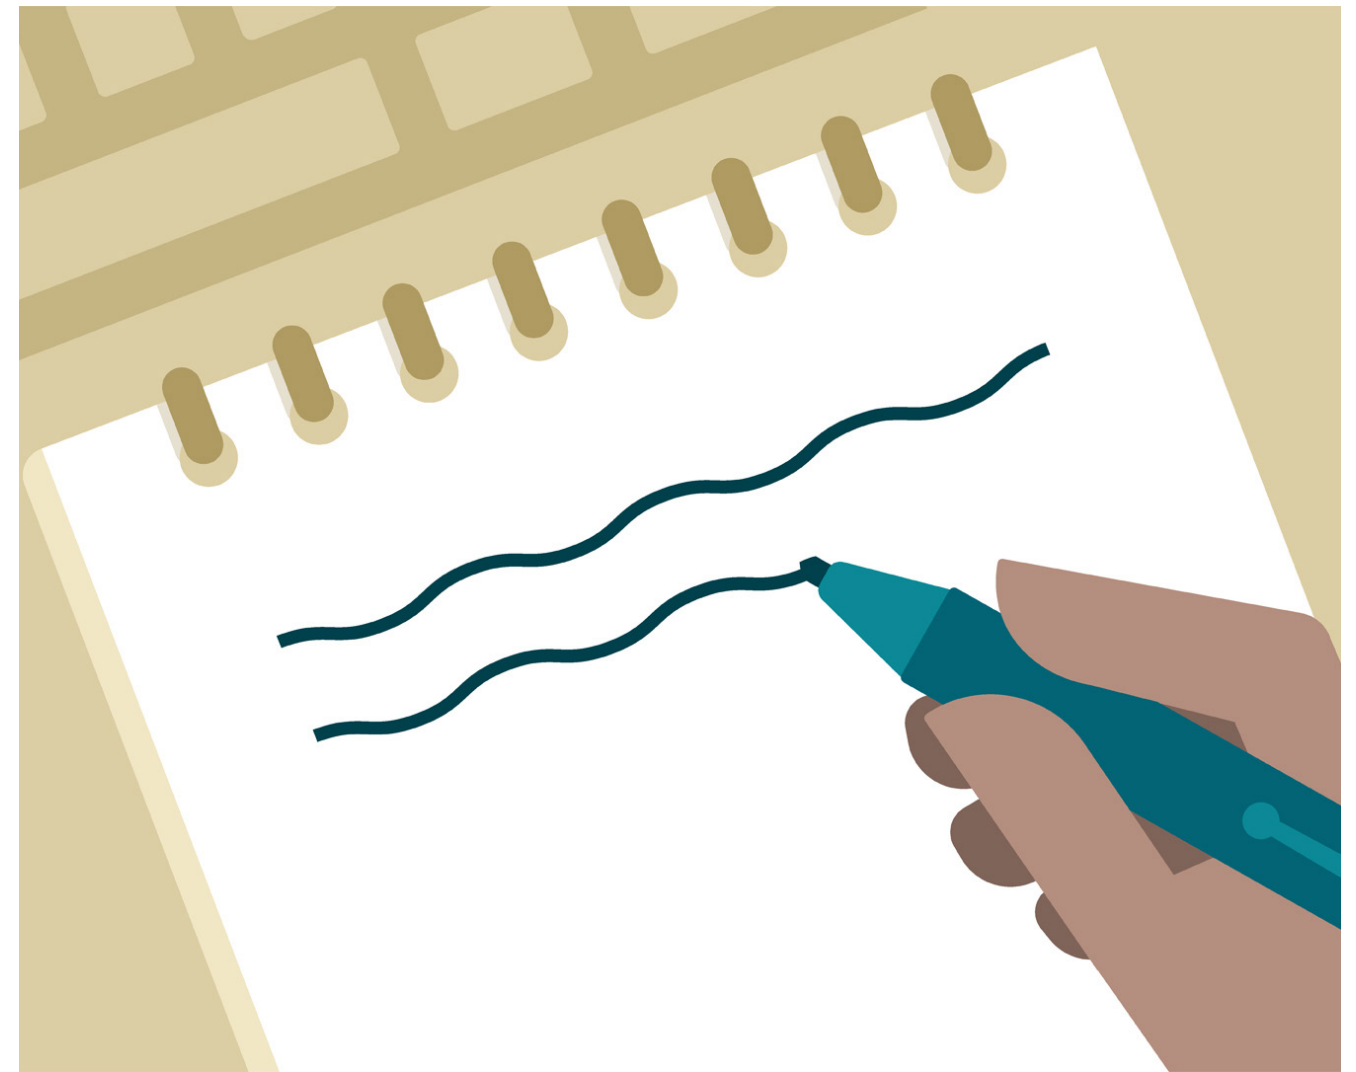

**Date:** Tuesday, February 13, 2018

**Time:** 1:00 PM - 2:00 PM

**Room:** Namm 618

Studies have shown that students who take efficient notes perform better on tests and papers and more easily handle complex problems. This is a workshop designed for students to introduce basic and advanced note taking skills to help you raise your grade and master difficult coursework.

**Open to all City Tech Students. Faculty encouraged to attend.**
