COLOR Wheel Assignment, Professor M Trofimova

Create a color wheel of your own.
Think of an idea/concept.
Document size: 8" by 8"

PROCESS
Find some images on a web and trace them on a screen (think our project one),
or draw anything you like. Try to create a representational (relating to or denoting art
which aims to depict the physical appearance of things) images, or semi-abstract,
but not abstract.

Please use Watercolor pencils or color pencils to create this project.
