About Me

I am a confident, energetic professional who is passionate about education and shaping the minds of tomorrows leaders. I believe all students can learn, and will learn given the appropriate tools for success. Each and every student has the potential to bring something unique into the classroom. It is my role as a teacher, to give students the tools in which to cultivate their own garden of knowledge. To accomplish this goal, I will assist every student in discovering who they are, encourage them to express each individual's opinion, and nurture their ideas.

Experience

William H. Maxwell CTE High School 2/18 - Present

During my teacher internship at William H. Maxwell CTE High School, I am responsible for delivering daily lessons to the 11th grade draping class. Other responsibilities include grading student work using Jupiter Grades, attending professional development meetings, and assisting in extracurricular activities.

Nene L.A Shiro 11/13 – Present

During my employment at Nene L.A Shiro, I am responsible for the construction of various garments. My other responsibilities include assisting with conceptual design, conducting fittings, and consulting with celebrity clients.

High School of Fashion Industries 9/17 – 1/18

During my teacher internship at the High School of Fashion Industries, I was responsible for delivering daily lessons to the 9th grade fashion illustration class, the 11th grade draping class, and the 12th grade portfolio class. Other responsibilities include planning field trips, mentoring 9th grade students, assisting in college prep work.

Education

New York City College of Technology 5/16 – Present

I am currently enrolled in the Career and Technical Education course at the New York City College of Technology. My current GPA stands at 3.0

Fashion Institute of Technology 6/14 – 12/15

During my enrollment at the Fashion Institute of Technology, I completed the Fashion Art and Design I & II class, the Life Drawing class, Sewing Techniques I, and a computer Design class. My last recorded GPA at F.I.T stands at 3.46

High School of Fashion Industries 9/09 – 6/13

During my Enrollment at the High School of Fashion Industries, I received the Award for Excellence in the field of Fashion design and the Golden Needle Award in recognition of design. Adding to my high school achievements, I received NOCTI certification in the area of Apparel and Textile Production and Merchandising, and graduated with a Regents Diploma.
