Hi Tyshae, I hope you had a blessed weekend. I wanted to introduce myself, my name is [redacted] currently go to Baruch, I am majoring in Business Communications on a Corporate Communications track. I connected with you in a Zoom call, our meeting room was the PR/Marketing room. You mentioned that we should reach out if we are in need of entry-level positions or internships. I am currently on the search for both and would be interested in hearing about any opportunities you have available!
