

NYC-LSAMP CUNY

Louis Stokes Alliance for Minority

“RESEARCH POSSIBILITIES FOR THE FUTURE”

The New York City Louis Stokes Alliance for Minority Participation (NYC-LASMP) an alliance of 16 CUNY Colleges and the CUNY Graduate Center which focuses on Science, Technology, Engineering and Mathematics (STEM). The Program is a federally funded research and training program that is sponsored by a grant from the National Science Foundation (NSF). The overall goal of the LSAMP Program is to ensure that a greater number of minority students graduate and pursue careers in STEM fields. The Program also aims to promote a lasting change in how STEM disciplines are viewed by the minority culture of the participating institutions.
