

## Gothic Blog Assignment

For your final blog assignment (Blog Post 9), you will be posting about your plans for Essay 3 rather than answering discussion questions.

### Blog Post Due Wednesday, May 8<sup>th</sup>

To complete this assignment, you will:

1. Identify and briefly describe the **text** you will be writing on for Essay 3
2. Indicate the **Gothic metaphor** you will be writing about in that text
3. Explain the **social issue** you think might be represented by this Gothic metaphor

Remember, the Gothic lecture is posted on Open Lab if you need to review it. If you have multiple texts you are trying to choose from, feel free to post about all of them in order to get feedback from your classmates and me.

### Comments due by Friday, May 10<sup>th</sup>

1. Give at least two classmates some *thoughtful* feedback on their ideas to help them work on developing a thesis statement.
