Dear Crumbs,

Kudos to your genius culinary cupcake scientists for turning my frown upside-down. The endless, fantastical variety of flavors, like Milkshake and Blackout, completely turned my day around and cannot wait to experience it again. The magical cupcake that made my soul smile is called Monkey Business. The only business Crumbs provide is happiness in a cup.

Thank you for placing smile on faces due to the magic you creations.

Forever Smiling,

Wilfredo Gonzalez
