Dear Mrs. Faison,

Unfortunately I cannot be the event coordinator for this next year's Bowl-A-Thon. I know the importance this fundraiser is not only to the organization, but also the youth this great program benefits. The lack of free time in my current schedule makes it impossible to give my upmost and full dedication this Fundraiser deserve and needs to make it successful like it has been for the last 24 years.

I currently have a lot on my plate and the last thing I want is to produce a subpart fundraising event. Which not only would hurt the organization, but the youth that participates in your program.

If you need any volunteers for the actual day of the event like being an usher or server. I'll be more than happy to volunteer. I once again apologize and hope that 2015 Bowl-A-Thon is more successful than ever.

Sincerely,

Wilfredo Gonzalez
