

Story Proposal

The 3 little pigs take place in space where they're 3 pigs which are the main characters who live in different planets. One lives in Mercury, Mars and Earth. The big bad wolf which is no longer a wolf but is a alien is traveling around space with a UFO destroying each planet that the pigs live in. But there's one planet that he couldn't destroy. This is a mysterious story mainly for people all ages.

Thumbnails and Pitch

PAGE 1
