Story Concepts

1st Concept

The 3 little pigs is about 3 pigs who are being hunted by the big bad wolf in New York. These pigs are from different classes meaning, one is homeless, the 2nd pig is in between homeless and wealthy and the last pig is wealthy. The wolf is basically trying to take the pigs out of their homes since He feels like they're over populating the city. So his goal are to eliminate the last 3 pigs so they no longer exist. But his plan ends up not working.

2nd Concept

The 3 little pigs takes place in space where they're 3 pigs who live in different planets. Each pig lives in Mercury, Mars and earth. The big bad alien is traveling around space with a UFO destroying each planet that the pigs live in but there's one planet he couldn't destroy.
