Strength in Us is a CUNY-wide student challenge with the goal to encourage students to submit creative work that depicts:

- The importance of a more just, diverse and inclusive campus climate;
- What an idealized future would be like if CUNY became the global leader in furthering active and respectful inquiry; or
- Ways students might spearhead efforts to advance educational opportunity at CUNY for students from around the world.

Share your depiction of the significance of CUNY's diversity in any way you wish.
