MISUNDERSTOOD

LONELY

My name is TJTEARS, i am a cartoonist and i have the passion to draw whats in my head. when people look at me they dont see me as an artist which makes it more amusing. most people would see a regular guy who looks like he goes to the gym. But i honestly live for art. some of my best work will be shown in this Portfolio but dont let your mind be limited on the things i can draw and make, even my skills surprise me, Thanks To My Lord.

MISUNDERSTOOD-By TJTEARS 10/8/2021 (left page)

Creating this piece i wanted it to be a reflection of who i am. on the outside is me. i am a semi build guy who looks serious and most interperet as older and scary looking to others. But on the inside i am still a child. i never wanted to grow up looking 2x older than my age. and most kids would tell me i look older than my age. behind the man is his thoughts. there is many things to look at.

Task: try to find "LOVE", "HATE" And Lastly my name..."TJTEARS"

LONELY- By TJTEARS 10/21/2021 (Above)

Most people go through different emotions and one of the two main emotions is sadness. The art piece you see above is actually a piece i worked on when i was really depressed in life and i couldnt understand what was around me. i just graduated highscool 7 months early than everyone else and i was alone for 7 months with none of my friends around. This Lesson has taught me how true you think your Friends are. Most of my "Friends" in high school hasent said a word to me today and counting and i am okay with that.

EVERYTHING IN MY MIND

EVERYTHING IN MY MINE- By TJTEARS (4/14/2023)

This art piece is called “everything in my mind”. At this time i was in mid-semester of college and there was so much i had to do. i was curruped with work and i wanted time for myself for the longest. i drawn this to show that colors can work with other colors people wouldnt match together when wearing. but my twist was making it in to art. As i Kept drawing i kept going with the flow and use my Imagination to its fullest. the bottom right art piece is how i see my self outside of this world.

JOKER

JOKER-By TJTEARS (7/2/2019)

JOKER was the first thing that came in to my mind when i had a 11”x 17” paper. Joker was filled with many odd but satisfying colors. (Purple, Orange, Green) i have been studying colors for a bit of time and i havent had the idea to wear these in one day. this makes joker unique to me. besides his act to do bad deeds joker also has a heart. some people are like joker but they are misunderstood.

**SPACE BETWEEN US-
(04/14/2023) (Above)**

The art piece above is called the space between us. this was an art piece that i made for someone who was obsessed with space. so i gave it my little twist. everthing on this art piece is earth like from the Gated fense to the roses on the Ground. this piece was one i loved alot so much so i made one for myself.

GRAFFITI-By TJTEARS (04/14/2023)(Below)

I Always wonder what it was like being a person who tags there sign on walls around NYC, picturing myself doing is cool, But acutally doing is something i always wanted, But thats Vandalism.

**MONEY- by TJTEARS
(01/1/2023)**

I remember the time when i lost a couple of thousands of dollars from a scam.NEVER AGAIN. i created this art piece to remind myself about this moment that actually changed my life forver.

MINIONS-(03/31/2023)

Minions is so cute, the reason why i created this art piece was because how cute the minions are, but they are stronger than ever. I thought why dont i make a poster of minions since i like them, and i did. but behind the minions eveys are different emotions i went through.
