but it is a sustainability**

Who We Are

- We are a women owned brand
- Aiming for comfortable and sustainable pieces in lounge wear, without the guilt of impacting the environment
- Fashion is growing and changing, looking minimal and feeling relaxed is the new modern take of everyday wear

Sets of 3 for the price of 1

Why This Fabric and Design ?

- Pima cotton is the actual high-end luxury cotton. Pima cotton is a superior kind of cotton also known as extra-long-staple (ELS) cotton.
- This makes our clothes easy to move around in and comfortable to wear.
- Our Spring 2023 collection is made with quality cotton, carefully constructed in order to provide customers with the best product and experience.
- Our *Target Market* are Gen Z and Millennial Women who we know seek the best value and the best price
- These Bundled Sets allow flexibility. Full sets could be worn all together or be mixed with clothing you already own.
- Cream and Dreamy pink allow for that feminine feel.
