- **Professional Designs**
- **Attend client meetings**

Mayor's Office to Combat Domestic Violence

Cecile Noel, Commissioner

Intimate Partner Violence Traumatizes Children and Teens

Intimate Partner Violence in the Home

Effects on children exposed to intimate partner violence:

PRE-SCHOOLERS

- Inability to develop healthy relationships with peers or regulate emotions
- Symptoms of PTSD – including sleep and/or eating disruptions and intense separation anxiety
- Poor memory functioning may hinder cognitive and intellectual developmentⁱ

ELEMENTARY & JUNIOR HIGH

- Behave younger than age
- Difficulty developing friendship with peers
- Exhibit signs of anger, depression and lower self-esteem
- Significantly lower performance on standardized math and English and language testsⁱⁱ

HIGH SCHOOL

- Physical aggression, higher levels of anxiety and depression, antisocial behavior, substance abuse, acceptance of violence in relationships and involvement in abusive relationships
- More likely to be absent from schoolⁱⁱⁱ

Teen Dating Violence in NYC

Prevalence and impact of teen dating violence among NYC public high school students:

Prevalence

1 in 10

report being physically hurt intentionally by someone they were dating in the past year^{iv}

Lesbian, gay, bisexual and questioning students are over **TWICE** as likely to report experiencing dating violence compared with those who identified as straight

Impact on Students

School-Related Behavior

3x More Likely to Miss School due to not feeling safe

3x More Likely to Carry a Weapon to school

2x More Likely to Experience Bullying in school

Substance Abuse

4x More Likely to Take Prescription Drugs without a doctor's prescription.

2x More Likely to Drink Alcohol and Drink. **3x** More Likely To binge

Mental Health

Almost **4x** more likely to attempt suicide

What Can Schools Do?

Identify Students Experiencing Dating Violence: Compared to students who did not experience dating violence, youth who did were twice as likely to get help from a counselor, social worker, or therapist for an emotional or personal problem.^{iv}

Offer Prevention Programing: Students who received teen dating violence prevention in school showed statistically significant improvements in knowledge and attitudes about dating violence^v

OCDV Can Help: The Mayor's Office to Combat Domestic Violence provides training for professional staff and students on dating violence, healthy relationships and intimate partner violence. Contact OCDV's Policy and Training Institute (212) 788-2799. The office can also assist in connecting schools to intimate partner violence resources such as the NYC Family Justice Centers.

MOCDV FACT SHEET

Mocdv stands for Mayors office of combating domestic violence They do fact sheets every year to show difference between domestic violence crime from the previous year to the current year. How it affects children and students. What causes domestic violence along with other facts of 2017.

Along with city thrive and Thrive NYC, sisters thrive is a logo i made that was picked out of everyone at the office. Its meant to portray woman of color coming together to achieve great things.

SISTER'S THRIVE LOGO

Monday, October 2nd
9:00am - Welcome Breakfast
at One Centre Street, North Mezzanine

Wednesday, October 4th
12:00pm - Lunch and Learn Panel Discussion
at One Centre Street, North Mezzanine

Friday, October 6th
10:00am-12:00pm - Employee Appreciation
One Centre Street, 18th Floor, Pre Bid Room

CUSTOMER SERVICE WEEK

Customer service week is a week we make the customers feel appreciated with a lunch and event where goodie bags are given. I got to work on this project with the commissioner of DCAS Lisette Camillo .

I created banners for this event in honor of all the employees in the entire municipal building.

**DCAS
EMPLOYEE
APPRECIATION**

- BE YOURSELF!
- BE KIND
- COMMUNICATION IS KEY
- MAKE FRIENDS
- DONT TAKE THINGS PERSONAL

WHAT I LEARNED ?
