To Whom It May Concern:

It is both a privilege and a delight to recommend Yelena Funk for a position at your hospital. I knew Yelena this spring when she was registered in my Urban Health course. I think that Yelena would make an ideal candidate for a position at your hospital because she is a highly intelligent and demonstrates superior teamwork and interpersonal skills. She is blessed with a strong sense of integrity and character. Her many talents and gifts will make her an indispensable asset to your hospital as they would to any institution fortunate enough to have her.

Please do not hesitate to get in touch with me if I can be of any further assistance in helping you to evaluate Yelena's candidacy for a staff nurse position at your hospital.

Sincerely,

A handwritten signature in black ink that reads 'Margaret Rafferty'.
