To Whom It May Concern:

I am writing this letter to give my highest recommendation for Yelena Funk. Ms. Funk is an excellent community health nurse who works under my supervision at a licensed home care agency. She is one of my best field nurses and is a pleasure to work with.

Ms. Funk always visits her patients with a cheerful disposition and a smile upon her face. She puts forth a strong effort to maintain the quality of care for her patients. Ms. Funk always submits her notes in a timely manner.

Ms. Funk has spoken to me often of her eagerness and excitement to complete her BS in nursing. In my opinion, Ms. Funk not only has the aptitude to be a wonderful nurse, but the personality and drive that will help her excel in her nursing career. If you have any questions, please feel free to contact me at (718) 975-8998.

Very Respectfully,

Carol Shafir, RN
