Course: TEXTILES   CUNY/NYC College of Technology   Fall 2019
Instructor: Dr. Nazanin Munroe
Mon: 4-5:40 pm   **Course/Section:** BUF 2246-HD30

Research Project Worksheet: Final draft due Wed. 10/16/19 by 4 pm on Blackboard. (50 points)

NAME_Yessica He.   DATE__10/16/2019___

What is your research topic? Knitting and its history and development. (15 pts)

Using the table below, list at least 3 things you know about your topic, and 3 things you'd like to find out. You can add to this list by adding rows as you develop your research: (15 pts)

What I know	What I want to find out
What is knitting. Definition	History and culture.
Stitches and some techniques, needles.	Different types of yarn it can be used in the textile industry.
Hand-knitting. Patterns.	Development of the knitting machine and the innovations of the knitwear in the fashion industry.

<u>**Bibliographic Resources:**</u> You will need 5 sources for your paper. 4 of them can be online sites that are educational or institutional; the final resource has to be available in print. See assignment details.

Online: Add a **brief description of the site** and **URL**—no commercial sites or blogs here (16 pts)
1. https://ebookcentral.proquest.com/lib/citytech-ebooks/reader.action?docID=2048467
Knit: Innovations in Fashion, Art and Design: The book gives an introduction of knitting in the fashion industry and how it also can be used in Art and Designs.

2. https://ebookcentral.proquest.com/lib/citytech-ebooks/reader.action?docID=1876180
Fashion Knitwear: The book gives a lot of pictures of how designers have used the knitwear to design their garments. It shows each designer profile, and do they do their work.

3. https://babel.hathitrust.org/cgi/pt?id=umn.31951p011395251&view=1up&seq=9
Knitted Fabrics: it is an E-book which tells about the history of knitting. It gives you a complete and general information about knitting, its industry, its development, principles of stitches and fabrics, etc.

4.http://web.a.ebscohost.com.citytech.ezproxy.cuny.edu/ehost/pdfviewer/pdfviewer?vid=3&sid=06d7f8b3-4aba-4b7b-92cf-563d3c80aa91%40sessionmgr4007

Impact of Print Parameters on Air Permeability of Printed Knitwear: The article tells about the process of screen printing implemented in knitwear made of polyester or cotton, and its air permeability impact comparing both fabrics.

Additional Online sources: Commercial sites or blogs ok here
