

WHY SO SERIOUS

I chose the picture about casino because I know this place is somewhere easy occur the win and lose, and I try to use this picture to tell people life is not only about win something, even we lose a lot of things, that is life. So I want to tell "why so serious" that is life usually let us win and lose through this picture and this font "impact".

This picture about separation and font " impact " , I want to tell life is always let you meet someone or separate with someone, so don ' t feel bad , because life always let you have better in next one .
