

Yongwei Liu

English 1121-D465

First paragraph

From the poem, "Still I rise" by Maya Angelou, the poem tell us, in your life, have a lot of challenge and difficult thing waiting for you, you should have challenge yourself heart, and face to them. I know it is not easy for all about people, but you should have dream, and achieve your dream, it's your power. All about the people have weakness, and they don't care their weakness. It's too important, you need to change your weakness and then you will get better the old me. In addition, you should triumph over adversity, you should have strength and courage. But it's not easy for all people.
