Homework 1

Ripe Figs

Purpose:

The purpose of the story "Ripe Figs" is to explain the need more time also need patience.

Audience:

The audience of the story tell us do not wasted the time, make right time do something what you like, time need to waiting, you should have patience.

Genre:

I think it would be realistic, because in our life, we always need time to know something what you want, cannot anxious.

Stance:

How you feel when you are bystander with the happen? One thing always have two side, you should have your mind and opinion with the thing. When you lose your mind, time can be prove anything what you want, also patience too.

Media/Design:

The author publishes the story let people know it, and media spread the story let more people know it.
