① Quote from text's

on the other hand, people think <sup>not</sup> waste their life time. <sup>not</sup> because let you stay college 4 year, then <sup>not</sup> still can not find the work, what should they do? still going work, and do something same with high school <sup>not</sup> graduate people, so why you <sup>not</sup> go college, don't waste life time in college, and do some <sup>not</sup> more work in the life, it is some skill in your hand, and you are still younger, then when the college student graduate to work, <sup>not</sup> 5000-7000/1 year, maybe you don't go to college, but you still get more money than him.

I still agree go college and more <sup>not</sup> something new <sup>not</sup> knowledge, it is good for you, and maybe when you got the skill, then go to society, it is easy for you, no hard. <sup>not</sup> college is good way for a lot of people and college is <sup>not</sup> price's value.
