### Pantheon for Sale

Attention all, the Pantheon known to be Roman temple temple to all gods is now for sale. His outstanding work of art built in Rome, Italy made 126 AD can now be in your possession. This structure with a height of 142' and an opening towards the center allows for the potential of many occupancies and purposes within the space. This would be just the spot for meetings or just having people come in to enjoy the view of the interior and be captured by the usage of light in the structure moving through the opening to create this wonderful experience. Without a doubt this would be the place to have for people to come to see. The usage of the patterns along the interior of the structure as well as its unique elements are somethings people would never forget . So you willing to attain the one and only Pantheon for yourself .
