

Connect Days New Student Welcome Recap August 27, 2020

Members of the Student-Ready College (SRC) Committee planned and facilitated the Connect Days, New Student Department Welcome on Thursday, August 27, 2020. Activities included 1) creation of an OpenLab department Connect Days website; 2) invitation and training of student leaders; 3) invitation to new students; 4) facilitation of Connect Days on August 27, 2020.

Each department is asked to complete a recap by identifying successes and challenges and setting goals for future welcome activities. The grid below is pre-filled with Connect Days activities, complete the steps you took to facilitate the activities.

- In the header and footer, enter your department and the persons responsible for planning and facilitating your Department's Connect Days New Student Welcome.
- Please post the completed recap by **5:00, Monday, October 5, 2020 to the [SRC OpenLab](#) site.**
- Upload a PDF your department's Connect Days Report to the file section of the [Student-Ready College Committee OpenLab](#) site. Upload the PDF with the name: "connect[deptf2020]"

Connect Days New Student Welcome Recap

Number of new students in attendance during Connect Days 1

Enter the date of each outreach activity:

- email new students _____
- send Navigate message _____
- announce in intro classes intro classes met for the first time on August 27, 2020

<u>Activity:</u>	<u>Person(s) Responsible:</u> Identify the faculty, staff member(s), and student leaders involved with each activity.	<u>Recommendations:</u> Recommendations for the next Connect Days Welcome.	<u>Recommendations:</u> Recommendations for additional welcome activities.
1) creation of an OpenLab department Connect Days website;	Reneta Lansiquot	Plan earlier and improve outreach. PTW is a relatively small program, but COMD, the second largest program at the college, had only five students (according to rep prof at our SRC Committee meeting last month)	How are other colleges reaching out to their students? At the very least, SRC Committee facilitators should provide this information so committee members can think about what works for their students.
2) invitation and training of student leaders;	Invited PTW alum who posted his portfolio on the OpenLab department website	Plan to us same student(s), if possible, if the next Connect Days Welcome is ahead of registration this semester because there is too much going on now in students' lives.
