Connect Days New Student Welcome Recap
August 27, 2020

Members of the Student-Ready College (SRC) Committee planed and facilitated the Connect Days, New Student Department Welcome on Thursday, August 27, 2020. Activities included 1) creation of an OpenLab department Connect Days website; 2) invitation and training of student leaders; 3) invitation to new students; 4) facilitation of Connect Days on August 27, 2020.

Each department is asked to complete a recap by identifying successes and challenges and setting goals for future welcome activities. <u>The grid below is pre-filled with Connect Days activities, complete the steps you took to facilitate the activities.</u>

- In the header and footer, enter your department and the persons responsible for planning and facilitating your Department's Connect Days New Student Welcome.
- Please post the completed recap by **5:00, Monday, October 5, 2020 to the [SRC OpenLab]** site.
- Upload a PDF your department's Connect Days Report to the file section of the [Student-Ready College Committee OpenLab] site. Upload the PDF with the name: "connect[deptf2020]"
