Peer Review (EKRAMUL HAQUE)

Good ✓

1. Opener: Moving from one place to another place is really so annoying. And I had this experience in last few weeks while I was trying to move from my old place to new place.
2. Thesis: For me that was really biggest challenge for me to find a house what I like and maintain my time to find that place and house.

Subtopics: find a house, maintain my time to find that place and house.

3. Subtopic one: Moving from one place to another place was never be easy for me.

Subtopic two: I feel that it is more difficult than find a good neighborhood.

Subtopic three: I was really so happy when got new house in my new neighborhood.

4. Moving one place to another place was always adventure for me.
5. No.
6. Yes.
7. Moving one place to another place was always adventure for me. I really like to know around everything and willing to meet new people. But sometime it's really hard to find a place what I like to live and a house that is suitable for me. This time I learn so many thing that I can found a new house quickly. While finding a new house I was bit frustrated. But I enjoy that. Getting new experience and working with the new people was always fun for. Finally I am happy and I start living peacefully in my new place.
