

I am Anthony Fong, a 19-year-old
guy whose parents are from China. I was
born in Venezuela because my parents
left China to get a better life. They
had not known each other in China.
They ~~met~~ met in almost a decade after
they arrived Venezuela, a country located
in South America between Colombia and
Brazil. After they married, my mother
gave a birth of a ~~child~~ baby that is me.
Now, my country is going down so that's why
I came here. ~~It's~~ it was difficult at beginning
because of the language ~~and~~
