

ASSOCIATION IN COMPUTING MACHINERY

Application

A U.S. Department of Education's Minority Science and Engineering Improvement Program grant was awarded to New York City College of Technology in the Fall 2015. The goal of this program is to improve the recruitment, retention and graduation rate of underrepresented minority STEM students, particularly women in Computer Science and related fields, and reduce the time to graduation, by enhancing student interest and readiness in computing. To support this effort an Association in Computing Machinery (ACM) chapter is currently being established. Benefits in becoming a member include:

- ◆ Seminars regarding the current landscape of the computing industry
- ◆ Subscription to Communications, an ACM publication
- ◆ Online courses
- ◆ Access to online books and videos
- ◆ Webinars on the hottest topics and issues in computing

TO JOIN THE ASSOCIATION IN COMPUTING MACHINERY CHAPTER AT NEW YORK CITY COLLEGE OF TECHNOLOGY, PLEASE FILL OUT THE APPLICATION BELOW.

Name: _____
First Last

CUNY Empl ID: _____

Cell Phone: _____

E-mail Address: _____

Gender: Male Female

Expected date of graduation: _____
Month Year

Major: _____

Academic Level:

Freshman Sophomore Junior Senior

Number of Credits Completed: _____ GPA: _____

What are your plans after graduation? _____

Have you completed an internship in your major? Yes No

If no, are you planning to complete an internship? Yes No

Do you expect to find a full-time job in your field? Yes No
