

Submit your "I Voted" sticker design!

**nyc
votes**

Worn by proud voters across the city on Election Day, "I Voted" stickers are one of the best ways for New Yorkers to show that they care about the future of our city. Now it's time for a brand new sticker, and we're asking you to help us create and select a design for the 2017 city elections and beyond.

To submit your original design, please use the submission form below. Submissions will be accepted from March 20, 2017 through April 14, 2017 at 5:00 pm ET.

Once finalists have been selected, we will let the public vote on their favorite design, which will be printed and distributed on "I Voted" stickers on Election Day for years to come.

In order to receive full consideration, each design submission must:

1. Incorporate the phrase "I voted" into the design
2. Fit on a circular sticker two inches in diameter.

Note: We will add the NYC Votes and Board of Elections logos ([download](#) here) to the winning submission, or entrants may decide to do so on their own (see the current sticker as reference). The CFB reserves the right to alter designs in order to accommodate the inclusion of these logos. We recommend submissions to come through as vector files, or JPGs with a minimum resolution of 300dpi.

Before creating and submitting your design(s), **you must read [the Official Rules for the Competition](#) to ensure the fullest consideration of your design and prevent disqualification.**
