SUB-ZERO

42" Built-In Side-by-Side

Model BI-425 offers convenient side-by-side refrigeration in a 42-inch width. Sub-Zero dual refrigeration along with two air purification and water filtration systems guard the freshness of your food and water like nothing before. Framed, meeting, flush front and stainless steel design options are available. The flush front installation option allows the unit to sit flush with surrounding cabinetry. Model BI-425 is ENERGY STAR® qualified.

Stainless steel model BI-425 shown with tubular handles.

- FEATURES**
- Dual refrigeration system ensures the freshest food and energy efficiency.
 - Electronic microprocessor constantly monitors entire unit to ensure proper food storage environment.
 - Air purification system reduces odors, bacteria, viruses and allergens gas.
 - Micro-impregnated water filtration system filters bacteria, viruses and sediment, but not fluoride.
 - Removable touch control panel.
 - Bright interior lighting throughout, including storage drawer area.
 - Adjustable spill-proof glass shelves, door shelves and dairy compartment.
 - Soft-close hinges and door drawers form a level temperature storage shelf for proteins and meats.
 - Easy-access flip-up grille.
 - Electronic freshness vents.
 - Max ice storage increases production for a 24-hour period.
