Submission Details

If any students are enrolled in more than one group receiving the same assignment they will submit more than one attempt for this assignment. It may be necessary to provide these students with an overall grade for the assignment.

Assignment Type
- ◉ Individual Submission
- ○ Group Submission
- ○ Portfolio Submission
  Selecting this option will require students to submit a portfolio as a response to this assignment

Number of Attempts   [Single Attempt ▾]   ← The best is to use MULTIPLE ATTEMPTS (I usualy give 2) not single. The erason why sometimes studnets forgot to add the page and the cannot go back and add it. So its a bad option!   ← Change: SINGLE popdown manu to MULTIPLE

Plagiarism Tools   ☐ Check submissions for plagiarism using SafeAssign
Although SafeAssign officially supports only English, clients are welcome to use SafeAssign with languages other than English. SafeAssign has no technical limitations that preclude using it with other languages. See Blackboard Help for more information.
If SafeAssign is enabled with Anonymous Grading, SafeAssign Originality Reports will be hidden from instructors until Anonymous Grading is disabled. However, Students may still be able to use SafeAssign Originality Reports depending on the state of the "Allow students to view SafeAssign originality report for their attempts" setting.

☐ Allow students to view SafeAssign originality report for their attempts
☐ Exclude submissions from the Institutional and Global References Databases
