Location:

620 Atlantic
Ave, Brooklyn,
NY, 11217

About Barclays Center

- Multi Purpose indoor arena that hosts concerts, conventions and other sporting and entertainment events.
 - Named Barclays Center, after London-based banking group called Barclays.
 - Opened in September 28, 2012
 - Home to the Brooklyn Nets and one of the homes for the NY Islanders
 - The arena is part of a \$4.9 billion future, business and residential complex known as Pacific park.
 - Barclays Center earned the Silver Certification for New Construction from the U.S. Green Building Congress, became the first professional sports and entertainment venue in the New York metro area to achieve this status.
-

Design

- The distinctive design of the Barclays Center has played a major role in its appeal.
- Designed by SHOP Architects and Ellerbe Becket
- Became an instant landmark at the crossroads of Atlantic and Flatbush Avenues
- Making the Barclay Center
