Test Canvas: Practice Math Exam

The Test Canvas lets you add, edit, and reorder questions, as well as review a test. [More Help](#)

You can edit, delete, or change the point values of test questions on this page. If necessary, test attempts will be regraded after you submit your changes.

Description This is a test run of the Math exam. Instead of the originally scheduled math exam you will take this math prep and an actual exam next week. I will assign 5% for this practice exam and 15% for the final exam to be administered next week. I strongly encourage you to reach out to me once you get the results from the practice exam to explain anything you do not understand.
