MS FROM BEHIND PLUSHIES TO SHOW AUTUMNAL SCENERY

CLOSE UP OF FEMALE PLUSHIE AND MALE PLUSHIES DURING DIALOGUE

FEMALE PLUSHIE

Who knew that when we fell off the shipment truck together that'd we fall so hard for each other...I never met a man like you..

MALE PLUSHIE

Thank you my sweet love...you are far too kind. Our love was fate...That we cannot deny!

With a beautiful orchestral score in the background we assume that the female plushie whole heartedly agrees. With their new life off the shipment truck and new found love the female plushie realizes something....

FEMALE PLUSHIE

My dear, I just realized we have no names! If we are to start this new life together we should have names.You shall call me Lyanna my dear....

MALE PLUSHIE

Ahhhh yes, You are most correct my love.....you shall call me Ezra...

With their names picked out and their love oozing out the seams, the orchestral score picks up again...all is right in their world. Nothing can break them apart...

EZRA

You and I together Lyanna....That is what makes my life whole and complete.

17 DAYS LATER INT. SHOWER

17 days have passed and we see Ezra in The shower with a sad orchestral score looming in the background. Something is wrong...Something has been taken from him....

EZRA

Without her I am numb...Without her I
bare no soul....

In this moment A typhoon of memories flood Ezra's mind. The times Lyanna and Ezra spent together. Long walks in parks, beautiful dinners and innocent intimate moments. Ezra then remembers one particular memory which brought him great sorrow....

EXT. WILLIAMSBURG BY THE WATER

Lyanna and Ezra sit on a bench together facing the glistening waters. Their love, still new, but far more comfortable.

EZRA

My love...have you ever thought of how
lucky we are?

LYANNA

Of course...I never thought i'd find
someone like you....

EZRA

yes my love i feel the same. What i
mean is that we could've spent our
lives in a shelf at a store...just to
be bought and spend the rest of our
lives underneath a bed collecting
dust!

LYANNA

I too have thought of that likely fate
my dear...It is best we not think of
it. We have each other, here and
now...come close my dear....

Ezra gets closer to his Beautiful Lyanna...He feels safe but he is still filled with worry....

EZRA

Its just feels too good to be
true...Were we supposed to have this
life? I cannot lose you my love!
Without you my life would be an empty
hollow shell of misery and sorrow!

LYANNA

You worry too much my dear
Ezra...Remember we are here right now
and our love is as strong Tungsten!

Now kiss me my dear!

Ezra and Lyanna embrace for a passionate kiss....the warmth of love swells within them. Once again all is right in their world...for now.

INT. EZRA'S APARTMENT

More time has passed since Lyanna has been gone...We see Ezra on his mac book looking at photos of his lost love....

EZRA

I could not protect you...all my fears
came true and I Couldn't do
anything....My love Lyanna....I have
failed you. please forgive me....

As Ezra Broods over his lost love, more memories flow through his tired weary mind...

INT. EZRA'S APARTMENT 1 WEEK AGO

Ezra and lyanna lounge together on the couch as they watch TV. With their love as strong as tungsten, no anxieties plague this relationship at this moment. A certain Anxiety is on Ezra's mind, but it will pass soon he promises himself.

EZRA

Are you enjoying the program my love?

LYANNA

Of course my dear! you know how much I
love Iron Chef!

EZRA

My love, I must ask you of
something...

LYANNA

What is it my dear?

EZRA

Ever since we fell of the the shipment
truck you have shown me what love
really is...For that I am forever in
debt to you

In this moment Ezra pulls out the most beautiful extravagant ring for his love Lyanna...

LYANNA

Oh my god Ezra!

EZRA

With this ring my love...We can belong
to each other forever...Will you Marry
me?

In this moment a familiar orchestral score picks up after the
question is asked....

LYANNA

Of course! Of course! My dear! I will
marry you and then we will truly
belong together forever! Nothing will
tear us apart!

Sparks fly for the newly engaged couple....All is right in
their world.

EXT. HERBERT VON KING PARK BROOKLYN, NEW YORK

The newly engaged Lyanna and Ezra relax in the park where
their love first blossomed. Again, all is right in their
world, for now....

LYANNA

What a beautiful Autumn day it is...

EZRA

Ahhh yes, Every day is beautiful with
my love!

While Lyanna and Ezra enjoy the autumn day 2 Men in their 20s
notice the couple....

MAN 1

Hey you see that?

MAN 2

See what?

MAN 1

Those plushies on the bench, my sister
had one just like it! She lost it
years ago, it was her favorite one!

MAN 2

Oh sick, just take it man. No ones
around, Your sis would love it!

Man 1 agrees and walks over to Lyanna and Ezra...He then picks up Lyanna and walks away with his friend. True horror Strikes Ezra

EZRA

Hey what're you doing! put her down
this instant! you gross human!

LYANNA

Ezra!! save me !!!

EZRA

I'm coming my love!

Of course Ezra was too slow...How could he keep up with human legs? Lyanna was gone, and Ezra's biggest fears came true...He has lost his beloved.

INT. EZRA'S APARTMENT

Ezra is seen on the windowsill, watching the cars go by. Thinking of his long lost love Lyanna...Where she might be, if she is alive and if she is missing him too...

EZRA

I will find you again my sweet
Lyanna...I am nothing without you. I
cannot breathe and I cannot
rest....til you are with me again.
