

- 1) Watch this video: <https://youtu.be/97Vwg3pE9Us>
- 2) What is the formula for the amplitude of a sin or cos graph?

3) What is the formula for the period of a sin or cos graph?

- 4) On the space below, draw one full wave of the function $y = \cos(x)$. In the boxes, please provide the numbers indicating the amplitude and the values on the x-axis.

- 5) On the space below, draw one full wave of the function $y = -\sin(x)$. In the boxes, please provide the numbers indicating the amplitude and the values on the x-axis.
