Management notes:

Great work everyone, keep it up! Don't forget we meet in the main room afternoon at 4pm for rehearsal.

Set notes:

Can we get more paint for the bombing scene. We are going to need doubled what we planned. Still in budget.

Costume/hair/makeup notes:

Make sure you are in your dressing rooms in an hour for hair and makeup to set before the show.

Prop notes:

Can we get 20 more rocks for the set? 10 is just not cutting it for the setting.

Lighting/Sound notes:

Lets run that sequence one more time, stop at the end of the second scene, it needs some adjustment.
