Lunch in the Janet Lefler Dining Room

This feedback document is voluntary and anonymous.
The questions are designed to support the efforts of the Living Lab Fellows final report.

Choose any or all questions

As the college begins to adopt Living Lab initiatives, what would you want to see continued? Would you want the experience of others be different than your own experience, or similar?

What suggestions do you have to further enhance *Gen Ed* at City Tech?

What suggestions do you have to further enhance *open pedagogy* at City Tech?

What suggestions do you have to further enhance *assessment* at City Tech?

What suggestions do you have to further enhance *place-based learning* at City Tech?

Do you know about the *L4: Living Lab Learning Library*? If yes did you contribute to it? Why or why not.

What experiences or practices would you like the next Title V grant to focus on?
