

SFX: mission impossible "like" fadding in  
we open up with a close up of the robber's face

SFX: making noises trying to get in the dresser  
guy: he's making way to much noise  
robber1: man he has nothing (searching)  
girl: the lookout is so bad, this is fail

girl: look behind you man look behind you

robber2: coast is clear

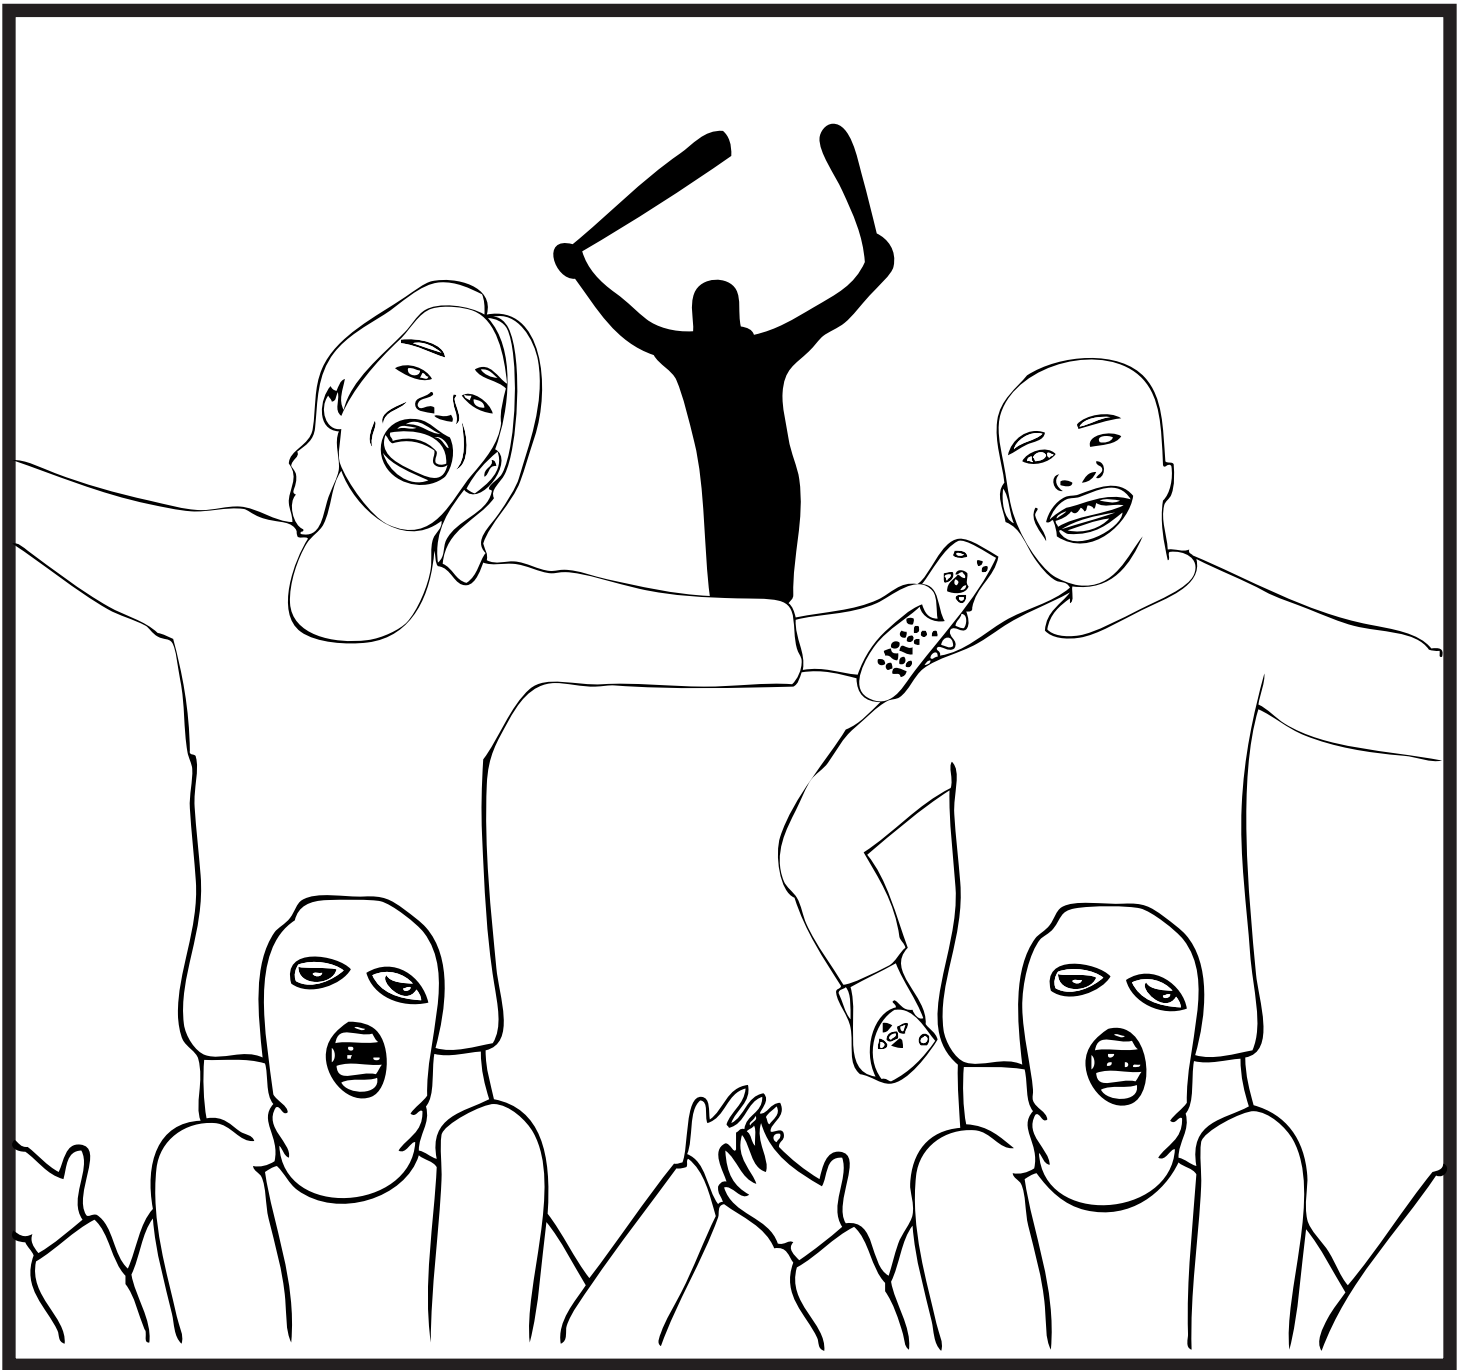

h/o: oh no you dont, hits his stomach with a bat

girl: dodges the bat swing while laughing and kicks the robbers gun out his hand

they get chased down the stairs

robber1: how did you even manage to lose your gun

SFX: mission impossible "like" fading out  
they get chased out the house  
guy: you had fun?  
girl: yeah of course you can't write this stuff

you can't write this stuff.

**THE WORLDS DUMBEST!**

v/o: tru tv you can't write this stuff

cta: a channel will be up on the last shot for viewers to watch the show the spot is based on
